**Subject:** White Paper: Information Technology Resource Planning and Development Cycle

---

The White Paper, Information Technology Resource Planning and Development Cycle, has been developed to define a coordinated and integrated approach to manage the development of information technology resources needed to support the strategic missions of the State of Montana.

The White Paper may be viewed at: <http://itsd.mt.gov/policy/itpolicy.asp>

This White Paper was developed in support of provisions of the Montana Information Technology Act (2-17-505, MCA) that states the Department "shall establish and enforce statewide information technology policies and standards".

If you have questions or comments, please feel free to contact Dick Clark at (406) 444-2777 or [dclark@mt.gov](mailto:dclark@mt.gov).
